

## ***Bosque School hosts first Alumni Day!***

On Wednesday, January 4<sup>th</sup>, Bosque School hosted the first annual Alumni Afternoon with activities ranging from tours and classroom involvement to a dessert reception with faculty. The Alumni Afternoon kicked-off with an alumni panel that shared advice with seniors on the transition to college and extended into the day with a variety of socials that allowed time to reconnect and reminisce. The success of the afternoon culminated with many alums enjoying their first true home game experience cheering for the varsity basketball team in the Bobcat Gym, which was opened in 2003, but not fully equipped with bleachers, scoreboards, sound systems, and weights until 2005. In 2001, Bosque School graduated the founding senior class. With 30% of Bosque's 115 alumni attending—including representatives from every graduating class—the event was a huge hit and promises to be a terrific annual affair!
