

Dear Parent of a New or Returning Middle School Student:

Welcome to Bosque School. We are excited that your son or daughter will be joining us in August, and we need your help in preparing for our fall athletic programs. As a student here, your child is eligible to participate in several extracurricular programs, including our interscholastic athletic program as well as theater, chess, scrabble, etc. In order to be ready for the fall sport season, however, we need to know each child's interest, if any. Please complete and return the form below by June 30, 2008. (Winter and spring sport selections will be made during the school year.)

The majority of our middle school programs proudly participate in the Albuquerque Parochial and Independent Athletic League (APIAL). Each student may participate in only **one sport per season**. The fall selection of sports includes:

- Flag football • Boys'/Girls' soccer*
- Boys'/Girls' cross country Boys'/Girls Tennis**
- Girls' volleyball

*Soccer is not affiliated with APIAL. NW Rio Grande Recreational Association or other club affiliation possible depending on registration. This includes a fall and spring season. Contact Klaus Weber for additional details.

**Tennis is offered through NNMTA/USTAjr.

Fall Sport registration is preliminary and does not constitute a final commitment. Rather it provides us with an idea of the number of students interested in each activity. Practice may begin before the start of school. In addition, you may receive further details prior to the beginning of the school year specific to your selection. Contact the athletic department further details.
